Tayo K. Solagbade is a Location Independent Performance Improvement Specialist and Multipreneur (i.e. a highly versatile/multi-skilled entrepreneur), with a bias for delivering Best Practice solutions to Farm Businesses and others.

Since 2002, he has earned multiple streams of income providing individuals and organisations with personal development training and coaching, custom MS Excel-VB solutions, web marketing systems, freelance writing services, and best practice extension support services (for farm business owners).

Tayo is the author of the Self-Development (SD) Bible™, the popular **Livestock Feed Formulation Handbook**, and developer of its accompanying **Excel-VB driven Ration Formulator™**, as well as the increasingly popular Monthly **Poultry Farm Manager™** (See www.iff.tayosolagbade.com)

On 1st April 2013, Tayo (who reads, writes and speaks French) relocated to Cotonou, in Benin Republic on the first lap of his slow travels across the West African region. His key purpose is to deliver talks, seminars and workshops on his key areas of focus and interest to interested audiences (Email tayo at tksola dot com for details).

When he's not amazing clients with his superhuman skills (wink), Tayo works as the creative force behind his **Daily Self-Development (SD) Nuggets™** blog - on which he also publishes his **Weekly Public Speaking IDEAS newsletter** (which he uses to promote Burt Dubin's Public Speaking Mentoring service to experts working across Africa).
