I first began following Burt's work back in 2000, when I signed up for his e-course. In 2008, we made direct email contact. **On 28th May 2011, Burt Dubin appointed me his "sole agent on the entire continent of Africa"** (*Hint: Go to <http://burtdubin.com> , & look in the far left column below the satisfaction guarantee)*

In the course of promoting Burt's mentoring service to Nigerians, I have had to write and distribute a **special report** (titled "**Introduction To Public Speaking for Business Marketing**") to correct certain misconceptions about Burt's mentoring service e.g. "*Oh, isn't that some kind of training for motivational speakers?*"
